AS SHE DISCUSSES SOME REGULAR
SPIRITUAL PRACTICES THAT WILL HELP
OUR YOUTH GROW CLOSER TO CHRIST**

Wednesday, September 9, 2020

Discussion begins at 7:00 PM (EDT)

To Register: <https://tinyurl.com/y6yufc4c>

Healing is a recurring theme throughout the Bible and a pillar of Jesus' ministry. It has been a part of Armenian Christian spirituality for centuries, exalted in the Armenian Church's hymns and prayers and experienced in the historical passage of our people through affliction and martyrdom. Like those earliest followers of our Lord, today's Armenian Christians draw near to Christ to receive his healing in body, mind, and spirit.
