

Learn *the* Armenian Alphabet

*A 6-Part Lesson Program to Learn
the Armenian Alphabet*

The Deacon's Fellowship invites altar servers, choir members, and other members of the community who have a desire to learn the Armenian Alphabet for the purpose of being able to read Armenian. This course, originally developed by Bishop Daniel, will be taught by qualified instructors using a Zoom platform. No knowledge of Armenian is required. Successful completion of the course anticipates that participants should be able to begin reading the Armenian text in our Divine Liturgy texts and music books. Please direct any questions to Deacon Ara Jeknavorian, ara.a.jeknavorian@gmail.com.
